

**UNITED STATES DISTRICT COURT  
DISTRICT OF NEVADA**

Rosa Freedman,  
Plaintiff  
v.  
The Vons Companies, Inc., et al.,  
Defendants

2:15-cv-0474-JAD-CWH

## **Order Denying Motion to Remand**

[ECF 38]

In November 2015, plaintiff filed a motion to remand based on her anticipation that the court would grant her then-pending motion to add claims against diversity-destroying defendants.<sup>1</sup> I denied the motion to amend and the premature motion to remand during a December 7, 2015, hearing.<sup>2</sup>

Plaintiff has filed another motion to remand, followed by a renewed motion to add claims against allegedly diversity-destroying defendants.<sup>3</sup> Again she puts the cart before the horse. Unless and until this court grants leave to add claims against local defendants, plaintiff's motion to remand is unripe.

Accordingly, IT IS HEREBY ORDERED that plaintiff's Renewed Motion to Remand to State Court [ECF 38] is DENIED without prejudice as premature.

Dated this 7th day of January, 2015

Jennifer A. Dorsey  
United States District Judge
